About the Shobha Industries

- Founded in 2019, our company stands as a trusted leader in the packaging industry, with three expansive units spanning 45,000 square feet. Supported by a skilled team of 70 employees, we specialize in producing a wide range of packaging materials designed to meet the highest standards of quality and durability. Committed to sustainability and regulatory compliance, we proudly hold certifications from the Maharashtra Pollution Control Board (MPCB), the Central Pollution Control Board (CPCB), and ISO, reinforcing our dedication to responsible production and environmental stewardship

Our **Mission** **and Vision**

Mission

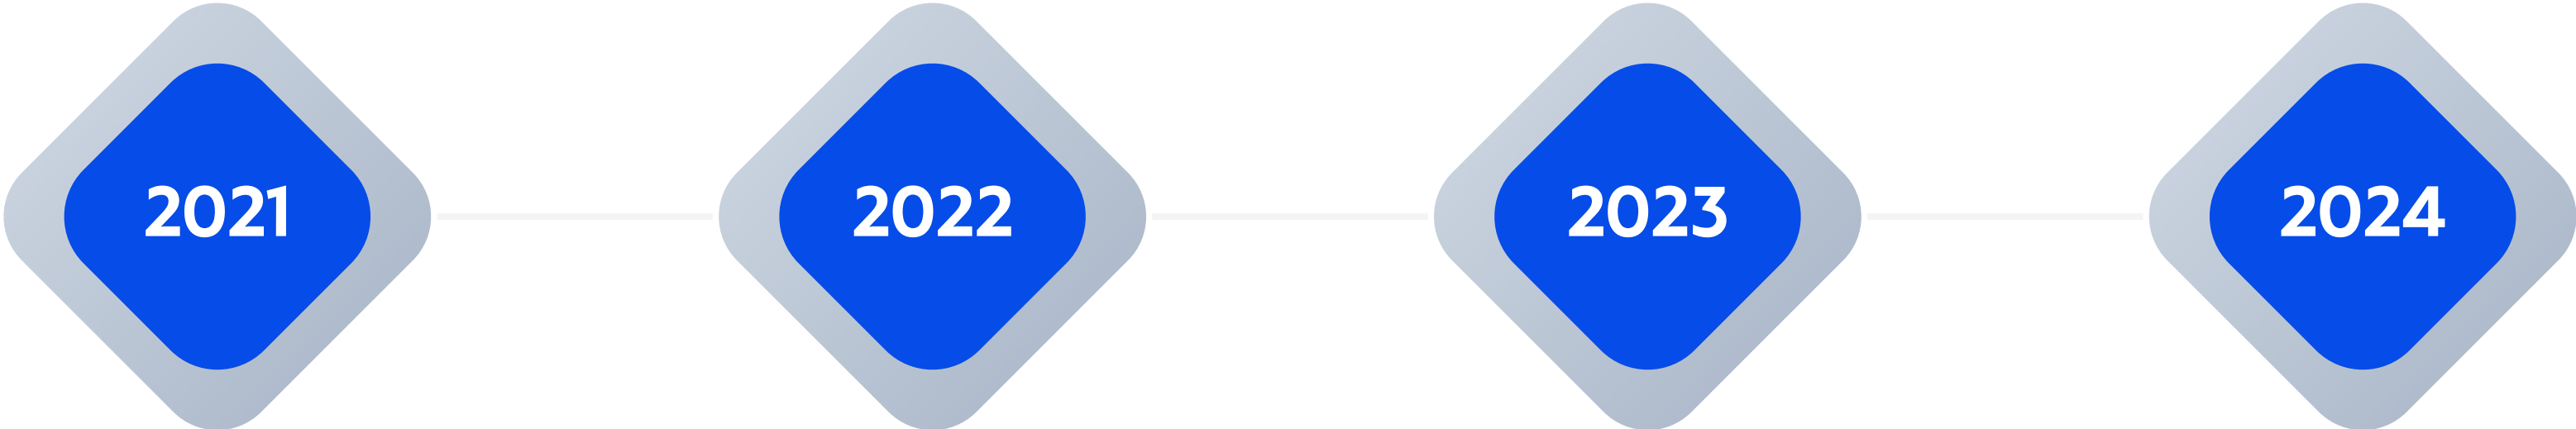

- We are committed to providing high-quality packaging solutions that add exceptional value to our customers' operations and foster long-term, trust-based relationships.

Vision

- Our vision is to be the industry leader in innovative packaging, delivering superior solutions that protect products and enhance client operations. Through advanced technology and a commitment to excellence, we aim to exceed market demands and build enduring relationships with our clients.

Our **Milestones**

2021

Upgraded with state-of-the-art machines to boost efficiency and quality.

2022

Prioritized staff training and strengthened safety measures.

2023

Increased staff strength by 50%, reinforcing our operational capacity and expertise.

2024

Added 2 new units and boosted turnover by 70%, driving remarkable growth.
